

Demi Pendant

satin brushed brass

Dimensions*: 8" Ø, 16.5" H
Materials: glass, metal
Product weight*: 11.0 lbs
Light source: integrated LED
Light output: Constant CCT: 816 Lumens (source), based on 2700 K / Warm Dim: 852 Lumens (source), based on 3000 K
Light color: 2700 K, 3000 K, or Warm Dim (1800 K - 3000 K)
Color accuracy: 90+ CRI
Power usage: 10.5 W
Dimmability: TRIAC, ELV, and 0-10 V dimming
Driver location: Can be housed in canopy, J-box, or remotely
Driver dimensions: 2.69" x 1.56" x 0.69"
Canopy dimensions: 5.125" Ø, 1.5"
Rigid stem suspension diameter: 0.5" Ø
Field cuttable overall drop height: 2'0" min - 6'0" max
Canopy and rigid stem finishes match Metal Finish
Standard mounting hardware not suitable for sloped ceiling. Contact factory for sloped ceiling options.
UL listed for damp locations
Specifications subject to change

satin distressed brass

Siemon & Salazar's latest pendant utilizes the ancient technique of sand casting, which creates a tactile texture on the glass that also helps diffuse the light. A hand-formed brass armature joins the two hemispherical pieces of glass. The design is beautiful, possessing a sense of elegant jewelry while also being functional.

* Each piece of glass is a unique work of art. Dimensions, weight, and color will vary. When multiple fixtures are installed next to each other, expect some variation in shape and color.
